

Hi Jane,

On behalf of MPP Glover, thank you for your email.

Chris along with his NDP colleagues in the opposition are in complete support of passing Bill 82, Single-Use Plastics Ban Act, 2019. This Bill was proposed by Chris' NDP colleague Ian Arthur.

Thank you for adding your organization's voice on this issue. Pressure from voters is incredibly effective in moving Ford in the right direction.

Wishing you and your loved ones well.

Warmly,

Benna Whahedi, Constituency Assistant (she/her)
